Cumbria Organics produces a **Directory of Members** for members to use to contact each other and trade. We also produce a **'List of where to find Organic Food in and around Cumbria'** – which goes to shops, Tourist Information Centres, libraries and similar outlets. If you would like your business to be included in the directory, **please give a brief description in the box below**. Please add anything at the end that you would like to go out in the consumer version. We may have to edit your script to fit into the space, but please tell us the main things that you would like to get across to other producers and to consumers, (where you have a product for direct sale or hire). This is an example:

We have 424 hectares and obtained organic status in June 2002. We have finished and store lambs (Suffolk and Texel Cross), Limousin cross store cattle and Limousin bulls. We are gradually building a Beef Shorthorn herd. Matson Ground lies on the Dales Way and has many footpaths criss-crossing its land. We have four holiday cottages near Matson Ground and three in Patterdale – for these, contact the Estate Office on 015394 45756 or www.matsonground.co.uk

Cumbria Organics depends on its members. We are always looking for people to help with organising events, co-ordinating activities or taking on roles in the Management Committee. Would you, or anyone in your family, be able to contribute to any of these activities? If so, what sort of activity would you be interested in?
